

GAP

Will you owe more on your vehicle loan than your vehicle is worth?

A wrecked vehicle can wreck your files if you own more on your loan than your insurance will pay. Guaranteed Asset Protection (GAP) is like an airbag for your vehicle loan. Our GAP program may reduce or eliminate the gap between what your vehicle insurance will pay and what you owe on your loan, if your vehicle is deemed a total loss. It can help cushion you and your family against sudden out of pocket expenses.

Get GAP today so you can worry less about tomorrow.

Fair market insurance value isn't always fair. There may be a GAP.

The **second** you drive your new vehicle off the lot it drops in value. More than 20% after one year.¹ This creates a gap in coverage.

Certain eligibility requirements, conditions, and exclusions may apply. You will receive the contract before you are required to pay for GAP. You should carefully read the contract for a full explanation of the terms. If you choose GAP, adding the GAP fee to your loan amount will increase the cost of GAP. You may cancel GAP at any time.
